Dubai, United Arab Emirates

OBJECTIVE

Rajamadan S A student of Information and Communication Technology in Business, currently studying as an exchange student at Pacific Link College, originally from Kalasalingam University. I have a strong passion for game development, mobile application development, Blender 3D design, and social media marketing. I'm a quick learner, adaptable to new tools and technologies, and always eager to sharpen my skills. With a creative mindset and technical skills, I actively seek opportunities where I can contribute and grow both as a developer and a digital creator. Currently holding a UAE resident visa & eager to contribute in a dynamic work culture.
